

Spring School

Excellent Montessori Education since 1970

Application for Enrollment 2018-2019

Admissions Policy

The Spring School is a vibrant community of incredible diversity, and we certainly do not discriminate based on race, gender, religion, ethnicity, or national origin. We do consider each application carefully when admitting students for our limited number of class spaces.

We give careful thought to what each child and each family will contribute as we look for a variety of interests, personalities and talents. Admissions decisions are made anew each year, and the fact that a child or sibling as been in the school before does not automatically guarantee a place for the next school year.
